

Greetings from your friends in the box office! Our **box office is open ONLY on days we have a show** in our concert venue. The **box office opens at venue door time** and is open until 15 minutes before the end of the show.

If you have hard tickets via Standard Mail, bring them to the box office. We then scan your ticket, gaining you admission into the venue.

If you have Print At Home tickets, either bring the ticket PDF printed OR pulled up on your smartphone. We can scan the barcode from your phone as long as your screen is clean from fingerprints and the brightness is turned all the way up. We then scan your ticket, gaining you admission into the venue.

If you have Will Call tickets, bring your ID or the credit card used to purchase the tickets to collect them at our box office.

You can **buy tickets at the box office** for that evening's show (as long as it isn't sold out!) as well as **for future shows**. We accept cash and all major credit cards.

Online ticket sales stop at 5pm day of show. Any remaining tickets will be sold at the box office that evening. The box office is not guaranteed to have tickets available for any show. We do our best to update our social media sites when a show is sold out or very close to it!

We also offer coat and bag check! Coats are \$2 each, and bags/other items are \$3 each. Some shows do require that all backpacks and large bags be checked before entering the venue.

See you at a show!
