

Hello – email [rentals@rockandrollhoteldc.com](mailto:rentals@rockandrollhoteldc.com) for available dates

There is a bar minimum for each room and if you meet it then there is no additional cost to rent the room. These party rooms are strictly 21+. In the case that the minimum is not met, you pay the balance. These are weekend rates, as weekday rates are different.

The honeymoon suite holds approx 20-30 people and has a \$500.00 bar minimum and comes with its own exclusive bartender serving your party solely.

The Piano Cafe holds approx 20-40 people and has a \$500.00 bar minimum, and the main bar extends into that room to serve you.

The Presidential Presidential suite holds approx 30-75 people and has a \$750.00 bar minimum for a private bartender.

For parties of 100 or so, many rent the Presidential Presidential and Honeymoon since they are across the hall from one another.

Plus a 20% gratuity, unless you are doing separate checks. In that case we ask to tip on each open check.

Please note that these are cash bar minimums (defined as having to use cash or credit), and an open bar option of \$50/per person with an automatic 20% gratuity attached good for parties of 30 or more only for up to 4 hours.

There is NO RENTAL FEE on top of the bar minimums.

Food is ordered from the bar, and can go towards 10% of minimum. We do not offer catering.

Full cakes are not allowed. Cupcakes and finger food deserts are welcome.

Music is heard from the monthly djs. You CANNOT have your own Dj/live set up at all in the rooms.

The rooms are available from 8pm - onward. There is some flexibility with time. The 2nd floor and roof are not privately rented for parties less than 150 people.
